

Office of the Executive Mayor of the City of Tshwane

City starts billing residents on 17 July 2019

12 July 2019

Release: immediate

The City of Tshwane has taken a decision to start billing residents on Wednesday 17th July 2019.

Charges incurred will be according to the previously approved National Energy Regulator of South Africa (Nersa) tariff rates for the 2018/19 financial year.

As a leader of a caring and responsible government, I appreciate that the City ought to await Nersa's approval first.

To residents who have already been charged this month, prepaid meter users will be credited with units according to 2018/19 rates while awaiting Nersa approvals.
